Dear Sir,

With reference to the survey held at Milford
by Mr. Johnstone with a view to the classification of
the machinery of the steamer "WILLIAM DOAK", I shall be
glad if you will ascertain from him and let me know the
date of the first and last surveys and the number of
visits made in connection therewith.

I may add that Mr. Johnstone's report gives
the date 23rd September as the last date of the survey,
but the year is not legible on the report.

I am, Dear Sirs,

Yours faithfully,
