5th May, 1922.

Dear Sirs,

I have to inform you that the Steel Screw Ketch "WILLIAM DOAK", which has been under survey at H.M. Dockyard, Pembroke, with a view to classification with this Society, has been towed to Cowes, and to complete the survey the following remains to be done:-

Decks, boiler space, hand pumps, ventilators and hatches to be examined and steelwork scraped and coated where necessary.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and on completion of the survey to your satisfaction, to forward a report on Form No.8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
SOUTHAMPTON.
