

SHE. RPT. N° 290

GLS. RPT. N° 37756

Admiralty Hawler "Murray" type.

S.S. "WILLIAM DOAK"

Goole S.B. & Rep. Co. No. 223

It is submitted that as the hull of this vessel has been constructed under the supervision of the British Corporation the Hull Surveyors should be instructed to prepare a certificate in conjunction with the Sheffield and Glasgow Surveyors in accordance with the instructions contained in the Secretary's letter S. 16th March, 1918, and issue same to the Classification Society concerned. A copy of the certificate should be forwarded to this Office.
