QUESTION.

ANSWER.

This vessel was reported on a Return 1 being a Salvage Tug, and also as being fitted with an Echo Sounding Device. Appropriate records accordingly appear in Column 3 of the Register

In your First Entry Report no mention would be made of these items, and I shall be glad to learn whether the records in question should be deleted.

The particulars on Return 1 are correct, and it is regretted that these items were omitted from our First Entry Report.
