Dear Sirs,

With reference to the classification of the above
named vessel in the Society's Register Book, I am directed
to remind you that the ^{2nd} Special Survey No. 2 prescribed in
the Society's Rules for Iron and Steel Ships is now due,
and I shall be obliged if you will kindly state for the
information of the Committee when and at what port it will
best suit your convenience to comply with this requirement,
in order that the vessel's character may be duly continued
in the Register Book.

I am, Dear Sirs,

Yours faithfully,

P.S. With regard to the above I have to inform you that the
Special Survey was held in May 1940 as regards the machinery, but
the Boiler Survey again became due at the end of last month and
I shall be glad to learn what steps are proposed to be taken
