The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

Machinery survey incomplete as regards steam trials

The Kobe Surveyors report this vessel placed in dry dock, bottom cleaned and coated.

Some damage sustained to shell plating, bulwarks, etc. owing to the vessel breaking away from her moorings has been repaired as necessary.

It is submitted the vessel appears worthy to remain as classed with record of survey 11,21, as recommended.
