

Steamer "VERMONT"

Owners:- The Texas Company.

The class of this vessel was withdrawn at the Owners' request on 17.10.47 and (...) inserted in the Register Book, as the Owners were using this as a bulk storage vessel. The particulars of the ship were omitted from the 1951/52 edition of the Register Book.

A cablegram, dated 29th ultimo, has come to hand from the Owners giving authority for Messrs. Magoulas & Co., to examine the vessel's records.

Mr. Magoulas called at this Office to-day and examined the records. He exhibited the attached letter and requested that he might be informed of the Committee's requirements for the re-classification of this ship, and the Committee's decision in regard to the proposals contained in this letter.
