Compass Adjustment Certificate.

This is to Certify that the Compasses of the Steel.....

S.S. Sunbank O.N.

have been adjusted for Local Magnetic Deviation at *South of York*
and are in perfect order according to existing conditions. Tables showing the effect
of such Deviation have been deposited with the Master. The Deviations have been
ascertained on various courses, both with the Dynamo stopped and running, with the
Electric Current "on and off"—all circuits in the vicinity of the Compasses. The
Deviations so found are practically identical under both conditions and are in accordance
with the Tables furnished to the Master.

Dated at *Glasgow* this *29th* day of *October* 19*19*.
