Dear Sirs,

I have to send herewith copies of certificates relating to compressors made by Messrs. Sulzer Bros. for the Kobe Steel Works and to acquaint you that it is understood that some of these compressors are to be installed with Messrs. Sulzer's Engines Nos. 5049 & 5053 in a vessel building for classification.

The designation of the remainder the compressors is not known and it is suggested that you should take this matter up with the Kobe Steel Works.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

KOBE.
