AIRLETTER.

3rd December, 1946.

Dear Sir,

With reference to my <sup>memo</sup> letter of the 25th July last  
respecting the steamer "YARRA" now named "KOO LIEN", I shall  
be glad to learn what arrangements have been made in regard  
to the submission of the vessel to Special Survey or General  
Examination in lieu thereof, together with the requisite survey  
for the renewal of the Load Line Certificate which expired on  
the 30th September last.

I have to add that the Wellington Surveyor reported in  
the last that temporary repairs had been effected to combustion  
chamber and back end plate of port boiler and recommended that  
permanent repairs should be effected on the vessel's arrival  
at Shanghai or port of destination. I shall be glad to learn  
how this matter stands.

Yours faithfully,

A. Stewart, Esq.,

SHANGHAI.
