

Lloyd's Register of Shipping.

Port WELLINGTON, N. Z.

28th June, 1946.

This is to Certify that I have

surveyed the Boiler ~~and Machinery~~ of the S. S. "KOOLEIN"
(ex Yarra), 2257 tons gross of MELBOURNE, as she lay afloat
at Aotea Quay, Wellington, on the 10th June 1946 and subsequent
dates, to examine port boiler centre combustion chamber and
back plate of boiler for temporary repairs to enable the vessel
to proceed to Shanghai or port of destination

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have

Recommended that the record of remain as at present
classified in the Register Book without fresh record of survey

made in the Register Book in the case of this vessel, subject
to permanent repairs being effected to port boiler centre
combustion chamber and port boiler back plate and to items
previously recommended, when the vessel arrives at Shanghai or
port of destination.

Engineer Surveyor to Lloyd's Register.

A Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are
executed, it is to be understood that neither the Society nor any Member of any of its Committees is under
any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society
Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment,
negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of
