On Owner's instructions access hatchways fitted to holds, one serving the two forward holds and one serving the two after holds. The deck plating cut for two beam spaces over each common bulkhead and hatchway coamings 3' 9" long and 2' 0" x 2' 7" high x .50" plate framed with riveted 5" x 3" x .50" angles. Each hatchway closed with substantial flanged steel covers, hinged, jointed and fitted with screwed clamps. The hatchways and decks in way hose tested and found tight.
