The Second Special Survey No. 1 became due in November last.

These five trawlers have recently been purchased by Mr. Harold Bacon and Messrs. J. and R. Bacon, and the new Owners have informed the Society's Surveyors at Grimsby that, following their usual practice, they do not desire to maintain the classification of the vessels in the Society's Register Book.

In the circumstances the Classing Committee, who had the cases before them on Tuesday, 26th instant, decided to give instructions for the character of each trawler to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

28th June, 1928.
