 Communications to

 SURVEYORS.

Dear Sir,

S/S "CAPO ROSA" ex "AFRICAN EXPLORER"

We have to forward herewith copy of a letter dated 17th instant together with free translation, received from Messrs. COMPAGNIA GENOVESE DI NAVIGAZIONE A VAPORE regarding the class of the above vessel.

We have been in touch with the Owners who have not already had any of their vessels classed with this Society, but they do not appear to be disposed to indicate the reasons for which they are withdrawing the class of this vessel.

It has been pointed out to the Owners that as the Special Survey was almost completed the survey expenses during the next 4 years involved in maintaining the vessel classed with this Society would be very small indeed, but they stated that their decision was not one taken for economical reasons and expressed their regret at having had to arrive at this decision.

We are, Dear Sir,

Yours faithfully,

The Secretary,  
 LONDON.

Dear Sir,

Reference

is made to your letter of the 15th inst. in relation to the proposed charter party for the vessel "LLOYD" and to the fact that the charter party for the vessel "LLOYD" is now being negotiated by the charterers and the vessel is being chartered to the charterers.

It has been pointed out to me that as the charter party is being negotiated by the charterers and the vessel is being chartered to the charterers, it is not necessary to indicate the reasons for the charter party.
