Dear Sirs,

E.

With reference to my letter of the 16th ultimo respecting the Oil Fuel Burning Arrangement proposed by Messrs. Ateliers Terrin, Marseilles, for the steamer "NICOLE SCHIAFFINO", I shall be glad to receive your confirmation that pumps used for feeding boilers are not connected to any line which may be used for oil or oily water or for pumping bilges, and that the oil pressure pipes are made of solid drawn steel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

MARSEILLES.
