Enclosure.

29th April, 1938.

Dear Sirs,

E. I return herewith one copy of the plan, forwarded with your letter of the 25th instant, of fuel oil setting tanks proposed for the steamer "NICOLE SCHIAFFINO", and I have to inform you that this plan will be approved provided the tanks be tested by hydraulic pressure and found satisfactory.

It is noted that these tanks have already been completed and have been examined internally and found in order.

I am, Dear Sirs,  
Yours faithfully,

Secretary.
