

C O P Y

# Lloyd's Register of Shipping.

Port SHIMONOSEKI.

21st January 1941.

This is to Certify that

T. Kunishi.

the undersigned Surveyor to this Society did at the request of the Master, survey the Single Screw Steamer "S B T S A O", 4743 tons gross, of Panama, on the 21st January 1941 whilst the vessel lay afloat at Wakamatsu, for the purpose of ascertaining the nature and extent of damage stated to have been caused by propeller probably striking some submerged object whilst on her voyage from Furus Island to Wakamatsu, via Panama, Honolulu and Osaka, between 1st November 1940 and 14th January 1941.

For farther particulars see Log books.

The undersigned upon examination.

FOUND.

RECOMMENDED.

Solid Bronze Propeller.

One blade broken off at a distance of about 20" from tip.

One blade (in opposite position of the above blade) cracked, crack running for about 12" diagonally near tip from leading edge toward tip.

One blade cracked, crack running for about 5" along following edge near tip.

Propeller to be repaired or renewed.

It is further recommended that the propeller, stern bush and tail shaft be examined in dry dock at the first opportunity and dealt with as found necessary.

The foregoing recommendations have been made in order to place the vessel as good a condition as before the damage was sustained.

*T. Kunishi*

SURVEYOR TO LLOYD'S REGISTER.

see & expenses as per account.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—  
the Committees of the Society use their best endeavours to ensure that the functions of the Society are  
performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any  
circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its  
Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or  
negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
