30th June, 1937.

Dear Sirs,

M. I have to inform you that the steel single screw steamer "CORFIELD", Messrs. The Burntisland Shipbuilding Co.'s Yard No. 214, has proceeded to your port with a view to the installation of the machinery.

To complete the survey on the hull the following remains to be done:-Steering gear and windlass remain to be seen in working order and the engine casings finally examined.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and, on completion of the work, to forward a report on Form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

SUNDERLAND.
