Lloyd's Register of Shipping.

Port of BOULOGNE

the 1st March 1948

This is to Certify that I have

Surveyed the Boiler and Machinery of the M/S. "MONKEY" 9912 tons

gross when laying afloat at Dunkirk on the 6th February 1948

*and subsequently for the purpose to carry out the Continuous Survey
and that I have transmitted to the Committee of Lloyd's*

*Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have*

been carried out to my satisfaction, and that I have

Recommended that the record of C.S.

be made in the Register Book in the case of this vessel.

*subject to Donkey Boiler Survey being effected at the earliest
convenience possible.*

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
