st Report, No. 2437. Port Hbg.

ical Surveys, when held, must be reported in detail and serially in the terms of the Rules and items remaining to complete Surveys should be summarised. State clearly the cause of Repairs, if any, and in detail, the nature and extent of Examinations subsequent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the placement of Anchors or Chains is reported the particulars should be clearly stated in the space provided on the back of this form and also the dates and initials of any letters respecting this case.

Damage cases where the Surveyor has not made a special damage report, he is required to state whether he offered his services for this purpose and to whom and why they were declined.

Was a damage report made by anyone else ? if so, by whom ?
