

S.S. "EMPIRE PENRYN"

Mr. J.N. Wood of the Ministry (extension 2676) states in reply to enquiry that this vessel is undergoing a survey by Ministry Surveyors, which is being carried out in order to ascertain whether it will be an economic proposition to continue the vessel in service. The contents of the Hartlepool Surveyors' letter of the 20th instant were conveyed to Mr. Wood, who stated that he had the impression that the Society's Surveyors were to carry out a joint survey with the Ministry Officials. It was left that Mr. Wood would enquire into the matter and advise the position in due course.

R.A.F.
25.8.48.

Mr. Wood subsequently telephoned stating that further class maintenance is not desired, as from the Ministry point of view, the resultant work would not be justified by the limited length of service envisaged.
