Dear Sir:

I think it well to inform you that the Baltimore Surveyors advise that the Steamer "OSMUSSAAR" is under repair at that port and that the American Bureau Surveyors are in attendance.

The Surveyors pointed out to the Master that the vessel was classed with this Society, but he stated that Lloyd's classification was no longer desired. The matter was also referred to a representative of the Amtorg Trading Company at New York who concurred in the captain's statement.

This information is submitted to you for whatever action may be necessary.

I am, Dear Sir,

Yours faithfully,
