Enclosure.

18th May, 1936.

Dear Sir,

I have to inform you that the steamer  
"DUDDINGSTON", No. 24020 in the Register Book, has been  
transferred to the Estonian Flag, and re-named "OSINSSAAR"  
with port of registry Tallinn.

The Society's Surveyors at Leith have verified  
the freeboard markings and carried out an Annual Freeboard  
Survey in respect of the issue of an Estonian Freeboard  
Certificate, and I accordingly enclose a copy of the freeboard  
report and computation made on the case for the information  
of the Estonian Authorities.

I am, Dear Sir,

Yours faithfully,

Assistant Secretary.

P. Gerretz, Esq.,

TALLINN.
