Deck line (as above defined) above the top of Steel One and three quarter
~~wood or iron~~ deck at side inches.

In witness my hand,

A. Scott

Secretary.

G. Dalton Hardy
Deputy Chairman.

The Summer freeboard applies to voyages from European and Mediterranean ports, from April to September inclusive. In
all parts of the world this freeboard should be used during the corresponding or recognised summer months.
The freeboard for Indian Summer applies to voyages in the fine season in the Indian Seas between the limits of Suez and Singapore.
The freeboard for Winter North Atlantic trades applies to vessels sailing to, or from, the Mediterranean, or any British or
foreign port, and which may sail to or from, or call at, ports in British North America, or Eastern ports in the United States,
except Hatteras, from October to March inclusive.
