The Society's Principal Surveyor,

Antwerp.

Dear Sir,

I beg to enclose the Dutch freeboard assignment and blue prints for the S/S "Magdalena" & "Elisabeth" of Terneuzen, and also the stamped Dutch Freeboard Certificates, and request you to be good enough to give those cases your attention in the same way as you did in the cases of the Steamers belonging to the American Petroleum Company.

I have advised the Owners, who will notify you when the marks are ready for verification and enclose copy of my letter to them; one half the statutory fee is due in each case.

I am, dear Sir,

Your's faithfully,

W. F. D. van Olleif
