LONDON.

Dear Sir, s.s. "PEI FOO" "SHENG HO" & "SHING HO".

With reference to the Freeboard Certificates for the above vessels which have been received here recently, I have to inform you that the Chinese Bureau of Navigation at Shanghai which formerly endorsed these Certificates, has now closed down. The Certificates have therefore been marked "provisional" and handed to the Owners, the additional copy being retained in this Office for transmission to the Authorities if and when this can be done.

Yours&c...
