## INTERNATIONAL CONVENTION 1930 RESPECTING LOAD LINES.

### RENEWAL SURVEY IN ACCORDANCE WITH ART. 14 OF THE CONVENTION.

(Port) Kobe.(Date) 6 December, 1935.

I have to report that I have surveyed the

s/s "KONG HO" of TSINGTAO O.N. Chinese.  
Ex "KAITOKU" Wellington.

on this date.

I have compared the arrangements on board the ship with  
~~the requirements of the Convention~~  
~~those given in the original freeboard reports~~ and I have found them to be  
reasonably  
in agreement therewith or equivalent thereto, and the whole to be in efficient  
condition.

The vessel has been examined in dry dock at this time  
and the whole of the requirements for the 2nd Special Survey No.1  
have been carried out.

The hatchways, coamings, hatches, wire lashings,  
tarpaulins and fittings have been specially examined and found  
efficient.

The freeboard marking has been verified and found to agree  
with the freeboards given on certificate No. 2837 dated 9th November, 1932.  
which is returned herewith.

Surveyor to Lloyd's Register.

Is fee paid

Fee £ 50:00
