FREEBOARD REPORT on the

Chinese S.S. "Kong Ho" ex Kaitoke

It is submitted Chinese freeboard certificate and 2 copies be forwarded to the Kobe Surveyors for issue when they have been signed and sealed by the Chinese Authorities.

The Kobe Surveyors should be informed that the date of validity entered on the certificate is 5 years from the completion of the 2nd S.S. No 1, and consequently a renewal freeboard survey should have been held instead of an annual survey, but it is assumed that the special survey having been carried out at their port the Surveyors will be in a position to forward to this Office Form C 11(d) to replace Form C 11(b) dated the 6/12/35.
