Received from Chief Ship Surveyor..... 27 AUG 1941

EL'S NAME..... "TATEISI MARU". Rpt. Kob. No. 11816.

remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The KOBE Surveyors report the vessel placed in dry dock, bottom coated and although no Special Survey is due, a Special Survey No.3 partly held at the request of the Owners, who stated this survey would be completed about this time next year.

It is submitted the vessel appears worthy to remain as classed with record of survey 5,41.
