

"S.S. TATEISHI MARU"YKa. No. N^o 3093

It is submitted the Yokohama Surveyors should be requested to forward a plan of this vessel's boilers, to state the size of the Safety Valves fitted, and to state whether the screw shaft is fitted with a continuous liner, if it has no liner, whether an oil gland is fitted.

They should be informed that a plan of the boiler should be forwarded with all first entry reports, unless they are duplicate of a plan already sent to this office, in which case the name of the vessel should be stated.
