RIGA

Dear Sirs,

F.

With reference to Grimsby Report No. 17868 on the freeboard of the steamer "ETHELARIC" I have to inform you that I am in receipt of a letter from the Harrowing Steamship Co., Ltd., stating that this vessel has been sold to Captain Fricis Grauds, of Riga.

It is understood that Captain Grauds is proceeding to Immingham to-night and that it is the new Owner's intention to have the markings verified and the conditions of assignment carried out while the vessel is in your district.

The conditions of assignment forwarded to you on the 25th March last have been somewhat modified, and I send herewith for your information the amended conditions and shall be glad if you will give the case the necessary attention.

It is understood that the vessel will be leaving Immingham about the 15th instant and the certificates will be forwarded to you tomorrow for issue when the markings have been verified and the conditions of assignment complied with.

I am, Dear Sirs,

The Surveyors,

GRIMSBY.

Yours faithfully,
