

Lloyd's Register of Shipping.

47, Quai de la Fosse,

Nantes, 14th May 1933.

The Secretary
London.

Dear Sir, I beg to acknowledge
ipt- of your letter of the 12th
d enclosing therein a memorandum
nticulars taken from the
ious freeboard report- in
cl- of the S/S. "NORMANVILLE".
enclosing herewith freeboard
t- no 1778 on Form C. 11. which
ules particulars of the
e room ventilators to be
to complete same. being
of time this was not done
is port.

owners state at their office
port- that the vessel is
ed at Rouen about the
not; when they would be glad

P.T.O.

S/S "Normanville" (contn)

and the Convention freeboard
certificate & certified to pay for
ship, before leaving that port.
was recommended that - an
a bar be fitted to 12 of the
ing pulling ports viz 4 off on
forward deck & 8 off on the
- deck, so as to give the
lation spacing i.e. not to
d 9" apart.

was also recommended that
fitting riveted to the bottom
e above pulling port doors
ken off (These fittings can
d for keeping the doors closed)

Society Surveyor at
is being advised accordingly
is no alteration in the
is of the superstructure
o vessel.

I am, Dear Sir,

Yours faithfully

R. J. Easthope
