Collingwood Buildings, Newcastle-on-Tyne.

LLOYD'S REGISTER

LONDON.

REC'D 14 FEB 1921

INSO

12.th February 1921.

Reference

Dear Sir

In reply to your enquiry contained in Classing letter of the 11th inst. regarding the S/S Inston (Newcastle Report 74084)

I beg to state that the extent of the treble riveted butts of H & I strakes of shell plating are in accordance with the rule requirements. I regret that this was not made clear on my report.

Yours faithfully
Hodgson

The Secretary
London
