H.
Dear Sir,

I have to acknowledge the receipt of your memorandum of the 7th instant relative to the Motorship "IMPERIAL", the contents of which are noted. In reply I have to inform you that in the circumstances the Committee have deferred consideration of the case regarding the carrying out of the Donkey Boiler Survey, also the repairs to the No. 1 cylinder unit of the main engine, as recommended by the San Francisco Surveyors in January last, for the present on the understanding that these matters will be dealt with before the vessel is again placed in commission. I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

The Principal Surveyor, Clerk to the
NEW YORK.
Classification Committee.
