Dear Sir,

In reply to your letter of the 27th. November last regarding Cardiff Report No.45915 on the Steamer "FOREMOST VII" in which you state that the vessel's class has been continued subject to a 3rd. bower anchor of proper weight and test being placed on board. We have been in communication with the Owners' Representative on the subject and enclose herewith a reply received from him this morning, from which it will be observed that apparently the vessel was originally only equipped with 2 Bower Anchors as also is the "FOREMOST VI", as will be seen per Cardiff Report No. 45914.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,

D&P
