ENCLOSURE.

25th November, 1924.

Dear Sir,

H. I enclose for your information a copy of a letter which has been received at this Office from the Society's Surveyor at Tampico respecting the Navegadora Barges and with regard thereto I have to inform you that on the matter being taken up with the Tankers, Ltd., they state that enquiries regarding surveys should be made of the Southern Oil & Transport Corporation, 17 Battery Place, New York.

In the circumstances I shall be glad if you will ascertain and let me know what arrangements are proposed to be made to carry out the surveys, as detailed below, which are due or will shortly become due on five of the barges in question.

I am, Dear Sir,
Yours faithfully,

James French Esq.,
NEW YORK.

Assistant to the Secretary.
