Dear Mr. Fowling:-

I duly received your letter of the 18th ult. regarding the first entry report on the barge "NAVEGADORA No.100". I see from our copy of this report that the notation "For Service in the Panuco River" was added under the recommendation but was inadvertently omitted from the Committee's Minute. This was subsequently corrected in the Minute Book, and I presume you are seeing that the classification certificate is made out accordingly.

With kind regards,

Yours faithfully,

C. Fowling, Esq.,  
London.
