HALIFAX, N. S.,

January 24th, 1944.

Dear Sir:

S. S. "MANITOU PARK"
Hfx. Rpt. No. 4731

Please be advised that on the above Report (Rpt.4.) the engine makers are stated to be Dominion Bridge Co. Ltd., Lachine, P. Q., but this is an error as these were made by Canada Iron Foundries Ltd., Three Rivers, P. Q. It is more than likely that you have noticed this error from the other Rpt. 4 but we think it well to call it to your attention.

We are, Dear Sir,

Yours faithfully,

Jas. H. Naini
Surveyor.

The Secretary,
