ENCLOSURE

28th January, 1942.

Dear Sirs,

With reference to the classification in the Society's Register Book of the Barque "ALASTOR" which is understood to be now completely owned by your good selves, I beg to acquaint you that the case has been placed before the Committee in view of the fact that the 5th Special Survey No.3 prescribed by the Society's Rules, became due so long ago as May 1940. As it would appear the vessel is now laid up indefinitely in the River Blackwater, the Committee will not object to her class being retained in the Society's Register Book on the understanding that the outstanding survey or a General Examination in lieu will be carried out before she is again placed in commission.

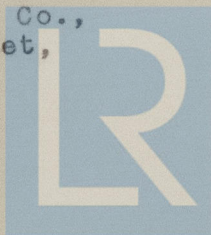

The Committee usually require in such cases, the signature of the Owners to a form of Undertaking, and it is concluded you will have no objection to completing the enclosed form of Undertaking, which should be returned to this Office in due course.

A copy of the Undertaking form is enclosed for your attention.

I am, Dear Sirs,
Yours faithfully,

pro Secretary.

Messrs. A.E. Martin & Co.,
