

ENCLOSURES:

13th June, 1941.

Dear Sir,

With reference to the classification in the Society's Register Book of the Barque "ALASTOR", I beg to acquaint you that this case has recently been placed before the Committee, in view of the fact that the Fifth Special Survey No. 3, prescribed by the Society's Rules, became due so long ago as May, 1940.

As it would appear the vessel is now laid up, apparently indefinitely, the Committee will not object to her class being retained in the Register Book for the present, on the understanding that the outstanding Survey will be carried out before she is again placed in commission.

The Committee, in such cases, require the signature of the Owner to the enclosed Form of Undertaking and I shall therefore be glad if you will be good enough to complete this document and return the same to this Office in due course.

A copy of the form is enclosed for your retention.

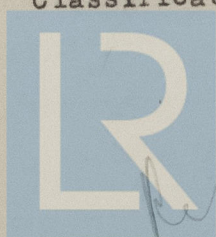

I am, Dear Sir,
Yours faithfully,

Clerk to the
Classification Committee.

Consul Karl Schroeder,

HANGO,

Finland.
