 due 4th Special Survey No.3 due 8.26.

At the end of November last the Oslo Surveyors stated they were informed by the Owner that this vessel was loading in Finland for London and that he had decided to take a cargo of coke from London to her home port and to have the above survey carried out on her arrival in Norway. In the circumstances the Committee deferred consideration of the case for a time, subject to this arrangement being adhered to.

The Owners now write this vessel has just arrived in London with cargo and is unlikely to complete her season trading for another couple of months, by which time the new season will be commencing, and that as the vessel only passed
