"LAVEROCK", "WILLIAM HANHAM", "CAPE TRAFALGAR", "LADY ELIZABETH",
"NIGHT RIDER", "WILFORD DUKE", "MASONA", "SEA MONARCH" & "WESTLYN".

Mr. Baseley of the Ministry states that these Trawlers have been offered to their former Owners at a nominal sum. It is anticipated that in most cases these offers will be accepted. In cases where this is not so the vessels will be offered for disposal in the open market by the appropriate department of the Admiralty.

Mr. Baseley suggests that the question be raised again early in the new year when he will be pleased to advise the position.
