THIS IS TO CERTIFY

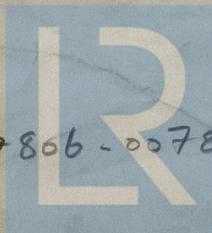

that the steamship "SINAI" (ex H.M.S. "LUCIA") was submitted for survey with a view to classification with Lloyd's Register in 1948 by her owners, Cia. Maritima Geojunior, S.A., of Panama, and care of Messrs. Till Co. (England) Ltd., 78, New Oxford Street, London, W.C. 1. At that time the Surveyors reported that the ship was to be registered at Panama and this information, which appears in the Society's Register Book, was subsequently verified from the Panamanian Official List issued in July, 1948, by the Ministerio de Hacienda y Tesoro, of Panama. Up to the present no official information has been received of change from the Panamanian flag.

As the necessary surveys were not completely carried out, the ship has not been accepted for class in Lloyd's Register.

Clerk to the Classification Committee.
