

Enclosures.

15th August, 1949.

Dear Sirs,

S.S. "SINAI"

With reference to Mr. Landy's request over the telephone last week I now have pleasure in enclosing herewith the certified photostatic copies of the reports of survey held by the Society's Surveyors at Swansea and Falmouth in January and February last respectively. I also enclose an Account for the cost of preparing these documents.

With regard to the work carried out to the hull at Swansea, I am unable to add anything further to the position as stated in my letter of the 16th May last.

It is understood that it is now intended that the vessel should carry cargo and not passengers, and I shall be obliged if you will advise me should it be decided to effect any alterations from the plans as approved.

Yours faithfully,

Clerk to the  
Classification Committee.
