

S.S. "SINAI".

Mr. Landy of Messrs. Till Co. (England) Ltd., telephoned  
requesting to be furnished with copies of Swansea Report  
24268 and Falmouth Report No. 10954 on the above vessel.

He referred to Swansea's letter of the 11th May last  
(copy of which was forwarded to them) and re-opened the  
question of why it was not possible for any of the survey  
of the hull at Swansea to be credited to the Classification  
Committee.

He also stated that it is now intended to carry cargo  
on the vessel instead of passengers, and desires to know  
what modifications to the structure this would entail.
