

S.S. "SINAI".

Mr. Landy of Messrs. Till Co. (England) Ltd., telephoned requesting to be furnished with copies of Swansea Report No. 24268 and Falmouth Report No. 10954 on the above vessel.

He referred to Swansea's letter of the 11th May last (a copy of which was forwarded to them) and re-opened the question of why it was not possible for any of the survey of the hull at Swansea to be credited to the Classification Survey.

He also stated that it is now intended to carry cargo in the vessel instead of passengers, and desires to know what modifications to the structure this would entail.
