

Enclosure

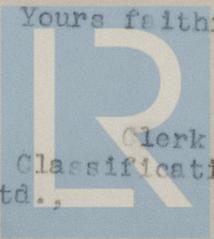

16th May, 1949.

Dear Sirs,

With reference to your letter of the 2nd and our subsequent telephonic conversation of the 4th instant respecting the Steamer "SINAI", I enclose, for your information, a copy of a communication which has now been received from the Society's Surveyors at Swansea, from which you will observe that, although it is agreed that the Special Survey of the machinery was commenced at Swansea no hull items examined at that port can be accepted towards the Special Survey.

I think it well to add that the Society's Surveyors at Genoa were furnished with full particulars of the case in March last.

Yours faithfully,

 Clerk to the  
Classification Committee.
