Dear Sirs,

*1/3 L*  
s.s. "Sinai"

With reference to the above vessel, we shall be obliged if you will please let us have a copy of the Certificate of Inspection of the work which was carried out for the satisfaction of your surveyors at Swansea in connection with the journey of the vessel to Genoa. Some further works are being carried out at Genoa and it was agreed with the surveyors at Swansea that the items that had been inspected would need no further inspection for the general classification.

We shall, therefore, be much obliged if you will please help us with whatever information you have available.

Yours faithfully,  
for TILL CO. (ENGLAND) LTD.
