Dear Sir,

s.s. "SINAI"

We beg to acknowledge receipt of your letter of the 19th. instant and have been in touch with the Prince of Wales Dry Dock Company in Swansea. We have no doubt they will communicate with your local Surveyor with regard to the survey of the above ship.

With regard to the query as to equipment on board there are two Bower Stockless anchors and cables; the cables are 2" stud link chain. There is also a stream anchor. Quantities and weights of equipment are unknown as no certificates were available. There are no lifeboats on board. There is a quantity of life saving apparatus which, no doubt, your Surveyors will inspect.

Yours faithfully,
