Lloyd's Register of Shipping,

High Close, Wiltshire Road,
Wokingham, Berks.

11th September, 1939.

Dear Sir,

I duly received our letter of the 8th instant relative to the steamer "DUNLUCE CASTLE" and have to say that your remarks have been carefully noted.

In the circumstances the action taken by you was quite in order and it is not proposed to raise the question of this vessel again until the next reprint of the Register Book.

Instructions regarding Periodical Surveys on British vessels requisitioned for Government Service have already been decided upon, and I hope to be in a position to circularise you with regard thereto in the next few days.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,

GLASGOW.
